# Our Success Story

- Pyramids of Chi was opened in 2017 and achieved an average growth of 80% annually.
- Started by an experienced management team that has built the business and created customized working systems and procedures.
- The founders worked with international architects to produce easily transportable and flat-packed laminated timber replications to allow building anywhere in the world.
- The company has created a Transferable Management Model covering build, operation, systems and training available globally.

# Key Players

Experienced and passionate stakeholders.

---

**Peter McIntosh**

# Why This Business?

Pyramids of Chi taps into the growing global market for wellness and spirituality – currently valued globally at US\$4 trillion – offering an alternative-to-mainstream opportunity that meets the needs of individuals seeking answers in a world of uncertainty.

## **Kevin Westrich, Sound Healer**

"Now is the time, I believe more than any other, that people are searching for answers."

# Why You?

- You're an investor looking for the next opportunity that fits the market appetite for Wellness in the upcoming 20-year life cycle.
- You see the opportunity and are ready to partner with a solid team with experience and know-how.
- Pyramids of Chi as an investment concept offers great ROI in a sector that is growing exponentially.

This business is both totally unique with high customer appeal and simplicity in its operation.

# Why Now?

- In 2022 there is a new and rapidly expanding tourism market.
- This is DOMESTIC travel, globally predicted to double from last year.
- It is viewed as safe and secure for short -term travelers.
- The Pandemic period has created a strong need for escape, a search for answers, relaxation, healing and stress relief.
- Pre-covid Peter & Lynn had 27 'Expressions of Interest' worldwide. Now the interest is growing rapidly.

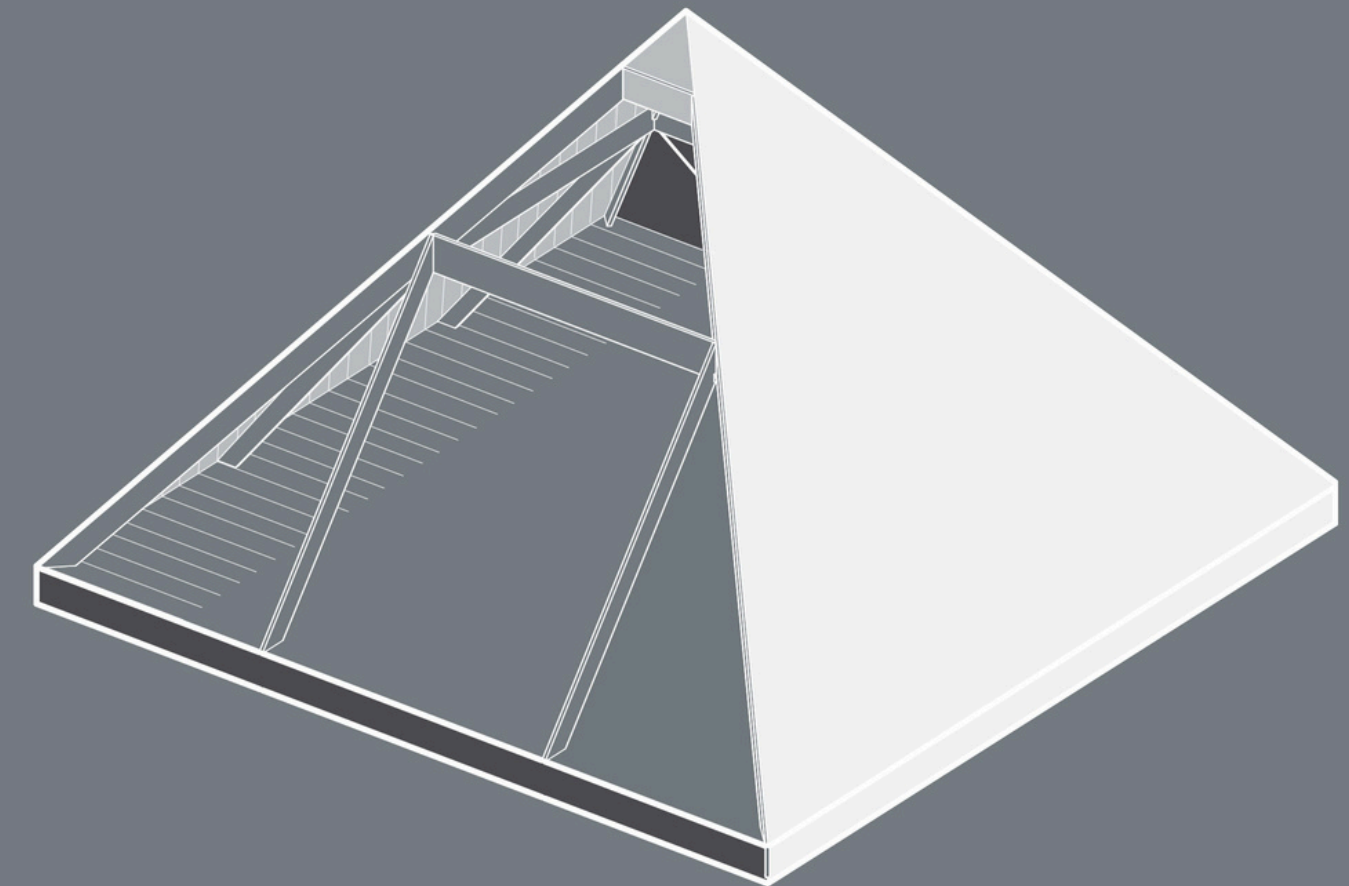

# Summary

Pyramids of Chi is seeking like-minded investors to partner with their proven and successful trademarked brands to expand to additional key destinations around the world.

## **They offer:**

- A unique and totally new opportunity in the rapidly expanding Health and Wellness sector.
- 5 years of proven 80% annual growth with impressive ROI against 220,000 visitors.
- Turnkey flat-packed construct, shipping, training, support and build from 3 global strategic locations.
- Shareable customized systems and processes covering all aspects of the business
